The Italian Society for Psychotherapy and Forensic Rehabilitation (SIPRiFo) collaborates with the University of Bari Aldo Moro (Criminology and Forensic Psychiatry Section of Medical School and Ionian Department of Law School) with the Dundrum Center for Forensic Excellence, Ireland and Elysium Healthcare, part of the Ramsey Healthcare Group to present the 1st edition of the International Summer School of Forensic Psychiatry in Taranto.

The Summer School will provide teaching, tutorials and mentoring on site and in person. Participants will be selected from applicants if they can show occurrent involvement in clinical or translational research in forensic psychiatry at early career stage, higher training or newly appointed consultant.

This Summer School also aims to be an opportunity for scientific study, training and discussion for forensic psychiatrists, forensic psychologists, health and social health professionals working in forensic contexts and jurists from various European Countries.

English will be the main language of each session but Italian and other languages will be prominent.

MAIN SPEAKERS:

Felice Carabellese,
Mary Davoren,
Harry Kennedy,
Quazi Haque,
Riccardo Pagano,
Adriana Schiedi,
Piyal Sen,
Maurizio Sozio,
Nicola Triggiani.

SUMMER SCHOOL PRESIDENTS: Prof. Felice Carabellese, Prof. Mary Davoren, Prof. Harry Kennedy, Dr. Quazi Haque
